BRIEF DESCRIPTION OF THE ORGANIZATION:

The Parish Social Center of São Vicente de Alcabideche, is a non-profit Private Institution of Social Solidarity, founded on October 23, 1983.

Linked to the São Vicente Parochial Church, the center aims to ensure the spread of Christian awareness, through sharing and love for others, promoting balance and stimulating social transformation.

The Centro Social Paroquial de São Vicente de Alcabideche has seven units in its organizational structure, with specialized services and equipment to support children and the elderly.

With a strategy focused on supporting the needs of the citizens of Cascais, its organizational structure includes three homes for the elderly, as well as four educational centers.

The São Vicente Residences are composed of the "Nursing Home of São Vicente", which has the capacity to house 71 users, the "Residence of Alcabideche" with 47 users and the "Bafureira Residence" with 51 users, whose mission is to provide excellent care, valuing the physical, psychological, emotional and spiritual well-being of each elderly resident. Promoting access to education for more than 452 children, the Centre is represented in the most populous urban centers of the parish, through the Nursery/Pre-school in Alcabideche, Alvide, Bairro Calouste Gulbenkian and Janes (Nursery/Pre-school).

The concepts of social justice, giving, sharing and voluntary work, present as pillars of the Centro Social Paroquial de São Vicente de Alcabideche, are proliferated through the actions of the "Banco Alimentar" (Food Bank), governed by the Vincentian Conferences, which guarantee the mobilization of essential goods and human resources useful in supporting those most in need.
